FROM BETWEEN THE HILLS

Greetings from all of us between the hills at Gil's Hills.

Well, if you look to your right you will see what God did this past year. We praise Him for His goodness and His love.

Looking ahead for this year we have several things planned to help improve ministry for the King's Kids. First, we are continuing to put together our D.A.S.H. clubs on Tuesdays and Thursdays. It's vitally important for everyone to Develop A Strong History and with Christ all things are possible. Our kids are maintaining a scrapbook in the craft room which helps them keep track of the things we do at Gil's Hills as well as memorizing scripture. We are told that we should hide God's Word in our heart so that we might not sin against Him. Learning and memorizing Bible verses is a good way to help. We also have games and fun during these meetings as well as a good home cooked meal.

*On **April 26th** we will be having our annual **Evening With Gil's Hills** and in **May** we will be having our annual **Workday.***

*The **biggie** that's coming up is our effort to continue to **raise funds** for **two cabins**. These cabins will be setup for winter use as well as summer. We need to raise around $7,000.00 in additional funds to complete this project. There is a $2,500.00 matching fund set up by an individual desiring to see this project finished in time for summer camp. You can help by sending a gift and writing **"Matching Fund"** on your check. The labor for these cabins to be built is $0.00 YEAH! PTL*

May God richly bless you as you support Gil's Hills through physical, financial and prayerful support.

From My Heart To Yours,
Ken Jordan

Craft Corner

I have always enjoyed making crafts. It must have started when my mom led Girl Scouts years ago. With weekly dues of 10 cents to buy supplies along with household and nature items, we made some wonderful creations. Empty Clorox bottles became piggy banks or wash room totes. Egg cartons were fashioned into Christmas trees and dried milk weed pods became Angels wings when painted gold.

Bring back memories?

Kids still love do make crafts and we are still doing some of the oldies. Because of your love and support of Gil's Hills we have been bountifully blessed by your craft donations. Currently our kids are working on scrapbooks which connects them with the D.A.S.H. program Ken has implemented.

Here are a few examples of what we've made, past and present; Heart Sachets, painted ceramics, yarn Octopi, Christmas Wreaths (2 were taken to the Nursing Home when the kids sang Christmas Carols there), laced hearts, tulle wreaths, banners and salvation stars. I would imagine that over the last 15 years we have made over 150 different crafts. If you noticed the number to your left, we provided 583 services in the craft room this past year which has also been turned into a multi-purpose room. Crafts are a real blessing to us and the kids we serve.

Thanks again for blessing God's heart through your gifts.

In Christ,
Louann Rowley
